MEMORANDUM FOR: Director of Central Intelligence

FROM : Herbert E. Hetu  
Assistant to the Director (Public Affairs)

SUBJECT : Lunch with the Washington Post

1. BACKGROUND: Attached is a brief description of those from the Post who will attend the luncheon. Commander McMahon and I will also attend. The luncheon is considered by the Post to be totally on the record and will be taped by them and me. In discussing the lunch with Ben Bradlee, he said, "Since it is on the record, we do not expect to make any news. We would like to talk about the philosophy of intelligence and the flow of information from you to us. Since we will have to work with one another over the next couple of years, like it or not, it is probably a good idea to get to know one another better."

2. SUBJECTS: Following are brief descriptions of the types of subjects which are most likely to come up:

- a. Subjects the Post may raise (based on recent queries and known areas of interest)
- Implications of the Hussein story
  - The right of the press to decide what to print
  - Elaboration of your (DCI's) definition of illegal or immoral acts -- which would cause you to resign
  - Overseas operations of CIA vis-a-vis human rights
  - DCI's relationship with the President/Cabinet members/NSC
  - What really happened in Moscow; why did we fail?
  - What is a realistic appraisal of the Soviet threat?

Dear Stan:

Many thanks for your prompt response to my letter. I fully understand that with your new challenges you cannot commit yourself to any speaking engagements in the near future. If the program is continued for 1978, I will make sure that I come back to you and I am delighted that you are positively inclined to such an invitation.

Once again, congratulations and all the best to you and your family.

Cordially yours,
